Tateyama Sofa

Year 2019

Tateyama is a conversational sofa characterised by its soft curves and unusual shape which encourages the users to engage with one another. It is both welcoming and comfortable. A gap has been carved out of the backrest, opening the sofa up to the rest of the room.

The sofa can be upholstered in a number of different materials including COM. The belt and built-in side tables are available in metal or wood and in any of our metal finishes or wood stains respectively.
