Kawa Coffee Tables

Year 2024

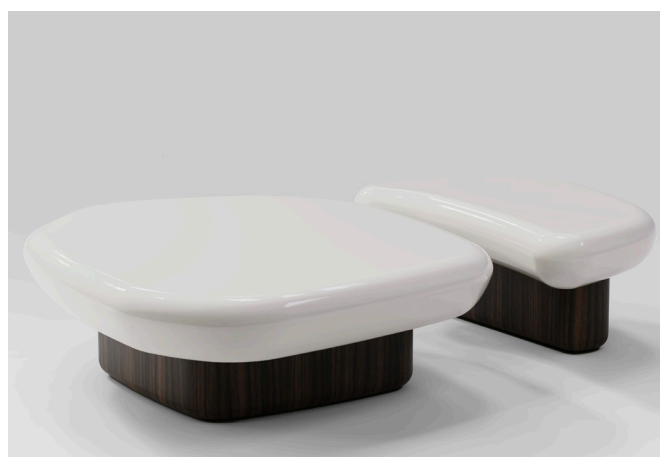

When a pebble is found on the beach, it's shape and texture tells the story of 1000 years. KAWA Coffee Tables are characterised by the same smooth, soft shapes that nature itself creates, perfectly coated and preserved at this point in time.

The two tables act individually or as one to give added flexibility and functionality. KAWA coffee tables are customisable in a variety of lacquered and stained wood options.
