Pop Lounge Chair

Year 2019

The Pop chair is a lounge chair imagined in its most simple form. Isolating the seat and the back and connecting them with a single metal piece. The clean profile is striking in its simplicity as well as allowing it to slip seamlessly into elegant interiors.

The whole chair has a metal base that continues from the backrest. The backrest is designed to allow a small amount of flex for added comfort. Pop chair is available in a number of different materials, finishes and combinations.
